With our 87th season, The Little Theatre of Norfolk has moved to reserved seating for our subscriptions and regular tickets. This means that when you subscribe to the Little Theatre of Norfolk, you get to choose the exact seats you want for your desired performance. And they'll be your seats for that performance whether you show up 30 minutes early or 2 minutes late. Exchanges can occur up to 1 1/2 hours before the performance. Patrons will be provided a receipt with links to exchange tickets. If you are computer savvy, then you will have complete control of the exchange. Box Office is only needed for those who do not use computers (or for those who lose their emails, in which case Box Office can resend the email or issue the exchange).

To purchase your season subscription please fill out the form on the next page. Make sure to choose the seats you want in order of preference. Seats should be listed individually to avoid confusion. For example: H1, H3, and H5. You should use the above seating chart to make your selections.

Please note that odd numbers are on the left side of the playhouse and even numbers are on the right side of the playhouse.
